

PARTICIPANT GUIDELINES

CSE Association Inauguration Edition

28–29 SEPTEMBER • NICE COMPUTER LAB • INTER-COLLEGE EVENT

1. About the Event

IgniteX is a 2-day inter-college ideathon where student teams brainstorm, build, and pitch innovative solutions. The event runs alongside the CSE Association inauguration. Day 1 focuses on ideation and selection; Day 2 pushes the top finalists into new problem domains for a final round of pitching.

2. Eligibility

- Open to students from all colleges and institutions — this is an inter-college event.
- Open to all departments and years of study; no department restriction.
- Participants should have an interest in problem-solving, technology, and innovation.

3. Team Formation

- Teams must be pre-formed before the event.
- Team size: 3–4 members.
- Each team must designate a Team Lead, who will be the single point of contact for all official communication, confirmations, and updates from the organizers.
- Team names must be submitted at the time of registration.
- Teams may be interdepartmental and inter-college; mixed-institution teams are allowed.
- If a member withdraws after registration closes, the team may continue with the remaining members provided at least 3 members remain; no new members may be added after the registration deadline.

4. Registration

- Registration is done through the IgniteX website.
- Registration fee: ₹100 per team, payable on the IgniteX website at the time of registration.
- Registration closes on Sunday, 27 September, at 11:59 PM. Late or incomplete registrations will not be considered.
- Ensure the team name, member names, and contact details are correct and complete at the time of registration.

- Registration confirmation will be sent via WhatsApp and to the Team Lead's registered email address.

2:55 – 3:30	Results & prize distribution

6. Resources Allowed

- Teams have full access to the internet, online tools, and any AI software.
- Use of AI is permitted for research, ideation, and slide preparation.
- Ensure presentations are ready before your scheduled pitch slot.

7. Equipment

- Teams should bring their own laptops for both ideation and pitching, unless informed otherwise by the organizers.
- Basic power outlets will be available in the lab; teams are advised to come with charged devices as a backup.

- Please confirm HDMI/USB-C compatibility for your laptop in advance, as pitching will be done on the venue's display setup.

8. Deliverables

- Every team must present a pitch accompanied by presentation slides (PPT/PDF).

Slides must clearly cover:

- The problem identified
- The proposed solution
- Feasibility and expected impact

9. Judging Criteria

#	Criterion	What is Evaluated	Weightage
1	Innovation	Originality and novelty of the idea	30%
2	Feasibility	How practical and implementable the solution is	25%
3	Impact	Real-world benefit, scale, and audience reach	25%
4	Presentation	Clarity, communication, and slide quality	20%

In the event of a tie, the panel will break the tie based on the highest Innovation score; if still tied, the Jury's decision will be final.

10. Rules & Code of Conduct

- Be present at the NICE Computer Lab by the reporting time on both days.
- All team members should stay actively involved during pitching.
- Respect the time limit — extra words may cut into your presentation.
- Maintain lab discipline and silence during other teams' pitches.
- Helpful and respectful behavior toward fellow participants, judges, and staff is expected.
- Participants consent to being photographed or recorded for event documentation and promotional purposes.
- Organizers are not responsible for loss or damage to personal devices brought to the venue.

11. Disqualification

- Plagiarism is the sole ground for disqualification.
- Submitting or pitching an idea that is a direct, unmodified copy of a readymade or published solution will result in immediate disqualification.

Note: Using AI tools is allowed — copying a fully finished external solution is not, as clarified by the organizer.

12. Prizes

Position	Cash Prize
----------	------------

1st Place	₹2,500
2nd Place	₹1,500
3rd Place	₹1,000

Certificates will be awarded to all finalists and participants.
